Alternate route during construction: During the road closures, an alternate route from Hayfork to the Ranch is available. This alternate route takes 1 hour. From Hayfork, take Tule Creek Rd. (first right past the Hyampom Road, if coming from Redding). Follow Tule Creek Rd. out of Hayfork where it becomes FS Road 10. After about a ½ hour, the road turns from asphalt to a sanded and oiled surface. Stay on this route as you descend into Hyampom. St. John Road will merge in on the left and shortly after that you will reach a 'T' intersection with the Hyampom Road. Veer right towards Hayfork. The Bar 717 Ranch will be about 2 miles towards Hayfork. Please note: Portions of the alternate route are one lane and the surface can be loose and sandy. Watch for oncoming traffic and drive slowly and safely!

Go through Willow Creek, and just beyond Burnt Ranch (look for the Burnt Ranch store, and go exactly 1.5 miles more), take a right turn on Underwood

Mountain Road (also called Forest Service Road 60). At the split with Road 47, stay on FS 60 towards Hyampom. As you come into the town of Hyampom, you will see the Hyampom School (blue building) on your left hand side and the Community Hall on the right hand side and the road will come to a "T". Make a right hand turn and go a couple hundred feet and make a left hand turn. You will go over a bridge and then make a left hand turn towards Hayfork.
